

8 October 2024

**To Whom It May Concern,**

MillaSA is a conference and events company dedicated to delivering high-quality, relevant conferences that drive successful change and promote excellence within organisations. We have had the pleasure of working with Afsana and her team at Endor By Design for over 10 years. During this time, they have consistently provided exceptional graphic design support for all our events and have also designed our website.

Endor By Design has become a strategic partner for our business, and their contributions have been invaluable to the success of our projects. We are confident in recommending them for any graphic design or website design needs.

Should you require any further information, please contact us.

Sincerely,

Gerald Dube

Managing Member
